Atkinson Hall Front Remodeled Entirely

Building Named for Former Governor Has "Face Lifted". Corinthian Columns Added

Atkinson, the largest dormitory, and second largest building on the campus, is "having its face lifted." Massive Corinthian columns have replaced the former smaller ones and two large granite stairways lead up to the center entrance, which has been made into a large majestic colonnade. The same classic architecture that characterizes the other buildings on the campus is predominant on the features of Atkinson Hall.

Since G. S. C. W. is a state school, it is interesting to know that Atkinson Hall was named in honor of former Gov. W. Y. Atkinson, of Newnan, who introduced the bill for the founding of the college, and with the help of his wife, secured its passage in the legislature.

There will be some changes on the interior, and everyone on the campus—teachers, matrons, students are anxiously awaiting the conclusion of the work begun.

VITAPHONE PLACED FOR TALKIES

New Instrument Placed in Auditorium During the Summer. Many Big Pictures Scheduled.

After an unsuccessful attempt to install a vitaphone last spring, most of us completely gave up the hope of getting Vitaphone within the year. So to those of us who were not at summer school, it came as a glorious surprise. And this isn't "just a vitaphone", it is one to be proud of. It has been called one of the best anywhere around by persons who ought to know. And it sounds plenty good to us.

Sighs of ecstasy greeted Mr. Thaxton's announcement of this Saturday's picture. Gloria Swanson in "The Trespasser." This picture is considered the best of Gloria Swanson's talking pictures. That much-talked-of picture "Night Work," featuring Eddie Gillen is coming on the eleventh. Instead of a let-down the pictures bought seem to be making toward a climax. Just look over the list:

"Rich People"
"Raffles"
"Whoopie"
"Eles of the World"
"Abraham Lincoln"
"Smilin' Through"
"HeR's Angels"
"Adam and Eve"
"Painted Desert"
"Beyond Victory"
"So This is London"
"High Society Blues"
"Women Everywhere"
"Lummux"
"Locked Doors"

And we are getting this vitaphone because of the thoughtfulness and work of Mr. Thaxton and Mr. Fowler, by paying only a nickel more for every picture, making us pay only fifteen cents for the pictures that we would have paid thirty-five and fifty for anywhere else. Isn't it "grand and glorious"?

CONSTITUTION WEEK CELEBRATED BY HISTORY CLUB

Program Presented at Chapel Exercises on Wednesday. Music Department Assists.

The History Club, assisted by the Music department, under the direction of Miss Alice Lenora Tucker, presented an interesting program commemorating Constitution Day, during the chapel period Wednesday morning. Miss Margaret Rucker presided. The devotional was led by Miss Theo Hatch.

The program was presented as a garden party. The former president of the club, Miss Lillian Brown, and the newly elected president, Miss Elizabeth Fort, acted as hostesses. The preamble, articles and amendments, in the form of a scroll were unwound by the hostess. Those making up the scroll were Francis Tarpley, Bess Bell, Lucy Davis, Carolyn Russell, Mary Haygood, Ruth Wilson, Carolyn Scott and Bobby Burns. Those present at the party were Misses Jewel Dodd, Claire Flanders, Sarah Jo Burns, Alyse Lee McCormick, Edna DeLamar, Louise Whaley, Willie Mae Stowe and Eunice Chandler.

The musical numbers were represented as radio numbers from Station G. S. C. W. The songs were: "America", by the Freshmen; "Dixie", by the Juniors. Ida Cade Williams, representing the Senior class, sang "There's A Long, Long Trail". The Sophomores concluded the program with "Star Spangled Banner". Miss Perkins and Mrs. Allen accompanied at the organ and piano.

BIBLE CLASS ORGANIZES

Dr. Meadows and the old members of his Bible Study class were very happy to welcome thirty-three new members into the class Sunday morning. During the first half of the period Dr. Meadows gave a very interesting discussion of "Prophecy" and afterwards the class officers were elected. Emily Colley was elected president; Beth Thornton, vice-president; Carolyn Green, secretary; Martha Rhoden, editor-in-chief and Jeanette Tarbert, assistant editor. Vivian Williams, Julia Riley, Mattie Carter and Jamie Royal will plan the fun.

The enrollment must still be increased, but how can this be done without help, co-operation and encouragement from everybody? Freshmen, Sophomores, Juniors, Seniors, you are all invited to join up!

ELIZABETH FORT NAMED HISTORY CLUB PRESIDENT

First Meeting Held on Monday and Officers for Year Are Named.

A large number of students attended the first meeting to the History Club on September 22, 1930. The purpose of the meeting was to elect officers and make plans for the coming year. The subject for study was left an open question, but the following officers were elected: Elizabeth Fort, president; Carolyn Scott, vice-president; Bobby Burns, chairman Program committee; Ruth Branman, secretary; Ruth Wilson, treasurer.

SENIOR CLASS OFFICERS ELECTED

Margaret Cunningham Named President and Catherine Jones, Vice-President.

At a meeting September 24 the Senior Class elected for its officers Margaret Cunningham, Decatur, president; Catherine Jones, Augusta, vice-president; Marjorie Neal, St. Simons Island, secretary; Mary Dimon, Columbus, treasurer.

Margaret had the unique honor of being president of both the Junior and Senior classes last year. She has been outstanding in glee club work, being director of the Y. W. C. A. choir during her junior year.

Catherine was president of her class during her freshman and sophomore years, and secretary of the junior class last year. She has taken an active part in the social department of the Y. W. C. A. throughout her four years as a member.

Marjorie was treasurer of her class last year. She was a member of the Freshman Council, the Sophomore commission, and is now head of the dramatic committee in the Y. W. C. A. cabinet.

Mary has been a very prominent and active member of the Y. W. C. A. She has charge of the Bulletin Board committee in the cabinet.

ANNUAL HIKE STAGED MONDAY

The Entire Student Body and Faculty Gather at Government Square Park.

The annual hike, an event of long standing at G. S. C. W., was staged Monday afternoon at Government Square Park, the college playground. An eager throng of students left the campus at 3:30 o'clock, equipped with boxes, sacks and other utensils with which to accommodate candy, crackers, popcorn, suckers, marshmallows, fruits and various other eatables which were served along the route.

Freshmen, upperclassmen and faculty for one afternoon joined in a merry frolic. After supper had been served, a huge bonfire was built, around which all gathered for the final act of the afternoon.

The clear, cool weather lent just the proper sitting for the Indian idea with which the members of the Y. W. C. A. cabinet presented the following stunts and entertainments by the four classes:

The seniors presented an old fashioned school lesson, with various side-splitting jokes and poems.

Next came the juniors with a mock-pantomime of Pocahontas and John Smith.

The sophomores offered a modern version of the balcony scene from Romeo and Juliet, and the freshmen, as the final number, presented a melody skit of popular songs.

Study hall was quiet as the prostrate bodies of over-fed, tired students returned to the dormitories, heedless of the consequences to be faced at class next day.

OPERA TO OPEN STAGE ATRACTIONS AT COLLEGE

"The Bohemian Girl" Will Be Sung in English on Friday, October Tenth.

Grand Opera in Milledgeville! The Opera Comique Company will present "The Bohemian Girl" Friday, October 10.

The personnel of this company is as follows: Miss Cecil Arden has a contralto voice of rare and exquisite lightness. Mr. Francis J. Taylor, bass-baritone, is an actor with a voice rich in quality. His repertoire consists of one hundred operatic roles. Miss Hazel Huntington, formerly Prima Donna of the French-American Opera Comique possesses a coloratura soprano voice which shows the finesse of a finished artist. Mr. Leo de Hierapolis, baritone, has had a varied experience including a part in the noted "Il Trovatore". Mr. Joseph Wetzel is a leading tenor who sings with a fine appreciation of vocal and temperamental possibilities. An excellent concert pianist will furnish the accompaniments.

The first lyceum number will be an American baso-contralto, Herbert Gould, who was at one time a member of the Chicago Civic Opera company. He has had concert engagements with symphony orchestras such as the Chicago, San Francisco and Minneapolis Symphonies. These press criticisms prove his rating: "A satisfying, ingratiating voice, the kind that projects both melody and words in a way to make both liked."—Chicago Tribune. "... a perfectly satisfying artist—left nothing to be desired."—Greensboro (N. C.) Daily News; "One of the greatest bass voices heard here in at least two decades."—Salt Lake Tribune.

Other lyceum numbers will be announced later.

THIRTEEN NEW MEMBERS ADDED TO FACULTY

Dr. Beeson States That Faculty is Strongest in the History of the College.

Dr. Beeson stated that the college will have the strongest faculty in its history this year. Thirteen new members have been added and eight faculty members have returned from leaves of absence.

Among the old teachers who have been away on a leave of absence and returned this year are: Miss Mamie Padgett, professor of art; Miss Lillas Myrick, associate professor of chemistry; Miss Louise Smith, associate professor of health; Miss Blanche Tait, assistant professor of Biology; Miss Gussie Tabb, associate professor of household science; Miss Clara W. Hasslock, chairman division of home economics and professor of household science; Miss Mary Mess, Y. W. C. A. secretary; Miss Cornelia Chappel, instructor in household science.

Among the new members of the faculty are: Miss Lydia A. Bancroft, Miss Margaret E. Sutton, Miss Emily Hall, Miss Thelma Hall, Miss Isabel Jones, Miss Bernice Legg, Miss Sara Nelson, Miss Willie D. O'Kelley, Miss Virginia Saterfield, Miss Pattie M. Turner, Miss Dorothy Parks and Miss Anna Klomburg.

Literary Guild Meets; New Officers Elected

Norman Dunnaway Named Editor of Corinthian and Other Staff Members Selected.

The Literary Guild, the largest and oldest club on the campus, met Friday, Sept. 19, organized and made its plans for the incoming year, 1930-31.

The officers elected were: Helen Barron, Lexington, Ga., president; Margaret Burden, Graymont, Ga., secretary-treasurer; Sarah Stokes, Albany, Ga., chairman of social committee.

The Guild is divided into four groups, each having for its aim the study of some particular phase of literature. The novel, drama, short story and poetry will be studied. The following were elected as chairmen of the respective groups: Sara Harvey, Monticello, Ga., the novel; Pawnee Rigsby, Cairo, Ga., the drama; Mary Driskell, Sparta, Ga., the short story; Ida Cade Williams, Greenville, Ala., poetry.

Each group selected a member of the English faculty for its advisor.

In addition to the study of literature, the Guild will sponsor the college literary magazine, The Corinthian. The following compose the staff: Norma Dunaway, Americus, Ga., editor-in-chief; Paunee Rigsby, Cairo, Ga.; Margaret Ruckner, Alpharetta, Ga.; Sarah Morgan, Macon, Ga.; associate editors; Jewell Dodd,

Marietta, Ga., business manager; Nell Coleman, Devereux, Ga., assistant business manager; Kathryn Vinson, Cordele, Ga., publicity manager; Nora Ethel English, Griffin, Ga.; Sara Harvey, Monticello, Ga., alumnae editors; Bobby Burns, Fitzgerald, Ga.; Margaret Trappnell, Newnan, Ga., feature editors; Dorothy Slappey, Blakely, Ga., exchange editor; Susie Dell Reamy, Quitman, Ga.; Mabel Brantley, Cochran, Ga., circulation managers.

Miss Cronwell will continue to act as faculty advisor for The Corinthian.

Other activities will be used to offer every member an opportunity to develop her hobby.

MEMBERSHIP DRIVE OF Y. W. C. A. BEGUN SKIT IN CHAPEL

At the chapel exercises on Sept. 20 the membership drive of the Y. W. C. A. was begun. The executives of the various departments of the organizations presented a short play depicting the different phases of the Y. W. C. A.

The cast included Vera Hunt, president of the Y. W. C. A.; Caroline Selman, first vice president; Sara Harvey, executive of the Christian World education department; Kathryn Vinson, executive of the publicity department; Catherine Jones, executive of the social committee; Dora Dell Downing, chairman of the infirmary committee; Margaret Cunningham, chairman of the Bible study committee; Caroline Moyc, sub-chairman of the membership committee.

SAY, LET'S TRAVEL!

I've been thinking. Odd, isn't it?
All I need is one bright person to
enlighten me along certain astron-
omical terms. My kingdom for the
days of Aristotle—or was it Archi-
medes? Anyway, I long for my name
to be classed along with those
well-known "notables"; so after much
deliberation and many brain-storms
I have reached a very definite con-
clusion, worthy of anyone's good
opinion.

Did you ever hear of the world's
travels and how rapid is its pace?
The so-called younger generation
fades into insignificance by compar-
ison. They tell me that the world is
going around at such a thrilling speed
that even we intellectuals cannot
perceive the revolutions. According
to my well-thought-out plan, the at-
mosphere around us must travel with
the worldly migrations. This is an
appalling fact that I have considered
in contracting my theory.

Count the conclusions at which I
have arrived, two already.

At this point I need a modern Eli
Whitney or some such capable in-
ventor to help me work out a con-
traption capable of maintaining a
stationary position in the atmosphere,
and, being able to resist the motion
of the air—that is, a machine that
could be suspended in the air sup-
porting an individual of the average
weight. No heavyweights allowed!
Stand back, girls! I am in the air
now. After several minutes in space,
such as I have created around my-
self and my contraption, I could
drop down and land somewhere in
the Chinese battlefields. After a
pleasant sojourn in this pugilistic re-
gion, up into the air and home
again in a few more seconds.

Two or three problems have pre-
sented themselves, however. But I
feel sure Einstein or some great
thinker could easily dispose of any
obstacle along that line. One is—
when to alight and how, so as not
to do a "Prince of Wales" without
the horse. Another problem would
be that this invention would lose
out entirely on endurance contests.
The main problem is that the finan-
cial side must be considered and hav-
ing turned mercenary I can think of
no eligible Uncle Bim to come along

and pay the necessary expenses that
so great an expenditure would cer-
tainly necessitate. I need to discuss
my pending contrivance with some
willing intelligent who is able to ap-
preciate my limited mental capacity
along the line of my invention.
MARY DRISKELL.

A CAMPUS TRADITION ENDS

"The thesis is no longer one of
the degree requirements," announced
Dr. Edwin H. Scott, Dean of Teach-
ers' College of the Georgia State
College for Women. Mingled cheers
and sighs greeted the announcement.
The joyous are in the majority and
include largely Juniors and Seniors
for whom the dismal prospect of a
thesis had been hanging for several
years. The mourners are few in num-
ber, but intense in their bitterness.
Among them are the Seniors of last
year, the typists, and those who had
written theses ahead of time and now
have no use for them but as fire
kindlers.

"The banishment of these," says
Dr. William T. Wynn, Dean of the
College of Arts and Sciences, "re-
sulted largely from a questionnaire
sent to the members of the Associa-
tion of Colleges and Secondary
Schools of the Southern States. Only
thirteen of the one hundred and twen-
ty-one colleges that answered include
a thesis or term paper in the require-
ments for a degree."

For better or for worse, the de-
gree thesis is gone!

RECOGNITION SERVICE HELD

Recognition vesper service was held
in the auditorium Sunday evening,
Sept. 21.

The theme of this service was cen-
tered around that old challenge of
entering on a quest of life abun-
dant—as each person entered she was
given a candle and a blue triangle.
The atmosphere of the quest was
created by lovely chants rendered
by the Y. W. C. A. choir—Miss Polly
Moss, Y. W. C. A. secretary, passed
the candles, representing the spirit
of the association to Miss Vera Hunt,
president. She in turn passed the
light to executives of cabinet. They
in turn passed the light to mem-
bers. Each one present was recog-
nized as a member of the Y. W. C. A.

MRS. NETTIE ECTOR ANDREWS
who was the first to wear the G. S.
C. W. uniform.

A Interesting Article From One Of the First Students

I was Nettie Ector, of Meriwether
county and I have the rather unique
distinction of being the first girl who
ever wore the college uniform. That
was 39 years ago, and I remember
all the circumstances as distinctly as
if it were yesterday.

I had been at school at Agnes Scott
college in Decatur but when the Hon.
W. Y. Atkinson, our representative,
and a close personal friend of my
father, introduced a bill in the Leg-
islature providing for the Georgia
Normal and Industrial College, as it
was then called, my father said at
once that I must go.

Meriwether county offered a schol-
arship to the girl making the highest
average at an examination given by
the county school superintendent in
Greenville. Together with some sev-
en or eight girls I took that examina-
tion, and I shall never forget with
what fear and trembling I started.
Luck was with me, and I got the
much-coveted scholarship.

We sent for a catalog which showed
the course of study and I found that
they had a business department which
was what I wanted. The catalog also
described the uniform, telling that
the goods and pattern could be
bought in Milledgeville at the store
of a certain Mr. E. E. Bell. So my
mother ordered the material and
made the dress for me. Looking back
at it with my mind's eye, it seems
to have been a rather curious look-
ing outfit, but I thought at the time
it was beautiful. There was a brown
woolen blouse, same as skirt, trim-
med with bright gold braid up and
down and everywhere, and that was
the hottest thing I had ever worn.
We came here on a scorching day
in September and I nearly roasted.

Soon after we arrived it was whis-
pered through the Mansion that one
of the Milledgeville boys had said
that we looked like a crowd of cotton
pickers, which was probably true. So
one of my roommates composed a
little song with a very lively air.

Here is the first verse:
We are all from the dear old state
of Georgia

The north, east, south and the
west,
And of all the cotton pickers in the
Union,

The G. N. I. C. are the best.
I came over from Macon with
about twenty other homesick girls on
the original Beauty Special. Dr.
Chappel, the first president of the
college, told me afterwards that he
had been very anxious to see that
brown uniform in action, so to speak,
and that I looked mighty good to
him. Most of the girls were dressed
in all the colors of the rainbow, and
I must confess that they looked bet-
ter after getting into the uniform.
The Mansion was the only dormi-

tory in the beginning and there were
eight of us in one of the large rooms,
four beds to a room. As well as I
remember, there were only sixty
boarding students, with one matron,
Mrs. Kate Glenn, and one housekeep-
er, Miss Lizzie Napier. In spite of
these two jailors I managed to have
worlds of fun and incidentally sev-
eral demerits.

The rules were not very strict in
these good old days, however. Dr.
Chappel would pick out the boys and
men from town who were considered
the very best, and once a month he
would suspend the rules and invite
these fortunate youths up to our
party in the main building. He would
not let us dance except a sort of
game called "Dance to Pat". This
was good enough for us. All we
wanted was to see the boys.

Another thing which I know is
hard to believe. That dear and sainted
first president would let us re-
ceive candy from men under one
condition. One of these was that we
give the matron part of the candy.
I have a sad remembrance of how
much I wasted on that same matron.

There was one Meriwether girl
who came later on in the year, Miss
Kate Christian and several years later
my young sister, Julia Ector, came.
Of course after that the girls
poured in from Meriwether county
from year to year. But I remember
only a few, as I married two years
after coming to the school.

That has been a long time ago,
but I have kept an eye on the school
all these years as our home in Mil-
ledgeville is just across Clark street
from the school. As I have watched
it grow into the largest women's col-
lege in our state, I have thought of
those three great governors of Geor-
gia—Atkinson, Terrell and Slaton
who did so much for our college in
its early years. Each of them were
born in Meriwether county.

Of all the girls who have come
here to college I can truthfully say
that not one loved or enjoyed her
school days more than I did. And
today I love G. S. C. W. and think
it a grand and beautiful college.
—NETTIE ECTOR ANDREWS.

THE FRESHIES

Who asks questions in a wistful tone
The answers to which are yet un-
known?

The Freshies!
The Freshies!

Who makes the campus turn to see,
What makes us laugh with glee?
The Freshies!

Who talks of home with longing
sighs,
With Teardrops standing in their
eyes?

The Freshies!

Who asks about the whereabouts of
which
And when and where and such and
such?

The Freshies!

—B. B.

THE REOPENING

The girls are back at G. S. C.
The campus is filled with noise and
glee,

Classes have started in earnest now
All new in prominence are a wow!
The vitaphone is struttin' its stuff
And of it we'll never get enuff,
Atkinson is having its face lifted
The walk to the library is being
shifted,

The life of theses is at an end—
Which lessens the hours we have to
spend
Our future goal from now shall be
To do our best at G. S. C.

DR. AND MRS. BEESON

ENTERTAIN SENIORS

Informal Reception Given at The
Mansion.

Dr. and Mrs. J. L. Beeson enter-
tained the Senior class at an infor-
mal reception at the Mansion, Friday
evening from 8 to 10 o'clock.

In the receiving line were Dr. and
Mrs. Beeson, Margaret Cunningham,
Senior class president; Catherine
Jones, vice-president; Marjorie Neal,
secretary; Mary Diamond, treasurer;
and the officers of the Junior class,
Vera Hunt, Mary Rogers and Kath-
erine Vinson.

The officers of the Sophomore
class: Theo Hotch, Dorothy Lowe and
Marie Goodyear also assisted in en-
tertaining the guests.

The entire lower floor of the man-
sion was thrown open to the girls.
Vera Hunt and Katherine Vinson,
assisted by the Sophomore officers,
served ice cream from a rose colored
table in the rotunda.

Jewell Green, Frances Jackson and
Vera Hunt furnished the music for
the evening which was enjoyed by
all.

MEMBER OF 1929-30 COLON- NADE STAFF MARRIED

Miss Elizabeth Earl Guiley Weds Mr.
A. G. Barnett on Saturday,
September 6.

Miss Elizabeth Earl Guiley and Mr.
Alfred Griffin Barnett, both of
Decatur, were quietly married on
Saturday, September 6 at Anniston,
Ala. The young couple is now at
home in Decatur.

Mrs. Barnett will be affectionately
remembered on the campus as
"Bye" Guiley. During her school
days Mrs. Barnett took active part
in the campus activities.

During her freshman year she was
vice-president of the Class of '32 and
president of the Freshman Council.

During the second semester of her
sophomore year, she was vice-presi-
dent of her class, president of the
Sophomore Commission, and a mem-
ber of the Colonna staff.

Mrs. Barnett's marriage, which
was the culmination of a romance
of several years, came as a surprise
to her many friends.

IN MEMORY OF CARROLL BUTTS '30

You've left a spot vacant in our
hearts,
Left us heartbroken and blue;
We all just keep a-yearning
To once more be with you.

You've left your sunny smile
And sweet disposition, too
But, somehow, we just keep a-yearning
To once more be with you.

You've made this world much bright-
er,
By kindly deeds you've done,
You've made the load seem lighter
Of numerous friends you've won.

You shared our joys and sorrows,
You traveled the road we do,
But, somehow, we will always yearn
To once more be with you.

WELCOME, ALUMNAE

We of the Alumnae are those of
us who have passed our student days
and entered the years when what we
have learned at our Alma Mater is be-
ing put into service.

We rejoice that what our College
gave us was good and fine, and use-
ful. We welcome you who come for
the first time to learn from her. We
know that she will give you material
which will help you live life more
fully, more richly and more usefully.

Those who come back to your Alma
Mater for more knowledge we
welcome you, assured that your aim
will be fulfilled and your days made
happy with the security which skill
and knowledge gives.

KATHERINE K. SCOTT,
Pres. Alumni Asso.

WELCOME TO THE FRESHMAN

We, the members of the Alumni
Association, welcome the Class of
'34 with delightful expectations, be-
cause we realize that when you chose
G. S. C. W. for your Alma Mater
you indirectly chose to become fu-
ture members of our association.

We are very proud of you because
you are the largest class ever to en-
roll at G. S. C. W. and also because
you are going to prove yourselves
one of the finest classes ever to
graduate.

We want you to be proud of G.
S. C.—to possess that indefinable, yet
ever-present, feeling, most often
known as G. S. C. W. spirit. That
spirit which is a mixture of loyalty,
appreciation, love and pride, and
which comes to practically every stu-
dent.

There are a great many members
of the Alumni Association on the
campus who want to take you under
their wings and teach you the cus-
toms and traditions and splendid
things for which the college stands
—her ideals and aspirations—and to
show you what has been accomplish-
ed through loyalty, co-operation and
leadership.

We welcome our future Alumnae!

A NEW ORGANIZATION TAKES THE CAMPUS BY STORM

A new and very exciting organization, or shall I say course, which shows signs of being very popular among our faculty and students of last year, almost caused havoc this summer. Matrimony!

What we'd like to know is how it happened to get started here—G. S. C. W. How any poor girl is able to hold the harrassed boy-friend after the first date in the parlor where there are four others as helpless as they, is more than we can understand. It may have something to do with this thing called "charm" and "personality" and if so we certainly have quite a bit of it floating around on our campus.

Of all courses to be offered at G. S. C. W. we would have last guessed "The Study of Matrimony". It is evidently quite an interesting course judged from the number having had it last year or possibly it is a cinch course that calls so many into its folds. Who the professor is that is offering it, or which Matrimonial Bureau the class patronizes is unknown to we other girls.

We had freshmen, sophomores, juniors, seniors, and teachers to take the course last year—and girls—it worked, too! Have you thought of the number of our students and faculty that caught this matrimonial disease of the heart this summer? We have record of eighty-two G. S. C. W. graduates that were married this summer. This does not include those that were freshmen last year, regular sophomores, or juniors.

Members of our last year's faculty were also married this summer.

Come on, girls. Even though we've long ago given up all hopes, we can renew them and carry them out if we will search until we find this course. Now is our chance!

HEALTH CLUB MEETS

A meeting of the Health Club officers was called Tuesday by Mrs. Wootten, head of the health department and advisor of the club.

With Mrs. Wootten the officers planned many new and interesting activities for the year.

If you are interested in the Health Club and want to join for the first time, or if you are an old member, listen for the announcements about when and where the first meeting of the club will be held.

We are all planning big on our Health Club this year.

SOPHOMORE COMMISSION MEETS

The Sophomore Commission held its first meeting of the fall term last Thursday afternoon.

The meeting was called to order by President Theo Hatcher, who led the devotional. Martha Chapman, secretary, called the roll and read the minutes of the last meeting.

A short talk on the Recognition Service was given by the "Y" secretary, Miss Mary Moss, after which a short report was given by each sub-chairman and a discussion followed concerning the plans for the coming year.
